

TAMHA Team Bank Account Authorization

Standard Operating Procedure for **Joe Zappia (VP Finance)** & Team Managers

2026-2027 SEASON

MOSAİK CREDIT UNION

POLICY 2.7 COMPLIANT

DUAL SIGNERS ENFORCED

STEP 1

Managers Fill Form

60 seconds on mobile. Dual signers & contact info collected cleanly.

STEP 2

1-Click Generation

Sheets menu builds official letterhead doc and saves link automatically.

STEP 3

Share with Blake

Direct Google Drive viewer share or 1-click PDF download & email.

- 1

Team Managers Fill Out the 60-Second Form
Eliminates scattered email threads, missing phone numbers, and nickname confusion.
-  [TAMHA Team Bank Account Signer Intake Form \(Live Link\)](#)

1. **Select Team:** Pick the team from the official directory (covers all 28 official TAMHA teams U7-U18, plus "Other" for newly formed teams).

2. **Enter Signers:** Provide full legal names, positions, cell phone numbers, and email addresses for:
 - **Primary Signer:** Mandatory signing officer (Manager, Treasurer, or Coach).
 - **Secondary Signer:** Mandatory dual signer (required by TAMHA policy & Mosaik).
 - **Third Signer:** Optional backup signer.

3. **Instant Synchronization:** As soon as the manager taps *Submit*, the data immediately streams into the **Form Responses 1** tab of the Master Finance Sheet.

Figure 1: Official live intake form showing custom Bearcats branding and standardized team directory.

2 1-Click Document Generation in Google Sheets

No manual Word document editing or copy-pasting while traveling.

 [TAMHA Team Banking & Finance Master Dashboard \(Live Link\)](#)

1. Open the master spreadsheet. In the top Google Sheets menu bar, click:
 **TAMHA Banking** →  **Generate Bank Letters for Pending Teams**

Figure 2: In-browser 1-click letter generator in the Google Sheets toolbar.

2. The automated engine runs in under 3 seconds:
 - Copies the official TAMHA letterhead template with the high-resolution Bearcats crest.
 - Merges team name, account number, legal signer names, roles, emails, and cell numbers.
 - Generates the Google Doc in Drive and automatically writes the direct link back into **Column X (Authorization Letter)**.

Figure 3: Generated authorization letter URL automatically saved in the master dashboard.

3 Open the Letter & Share Directly with Blake Giroux

Seamless handoff to Mosaik Credit Union for DocuSign signing officer execution.

Option A: Direct Drive Sharing (Recommended — Fastest, Zero Attachments)

1. Click the generated document link in the sheet to open the letter in Google Docs.
2. In the top right corner, click the blue **Share** button.
3. In the text box, type **Blake Giroux** (BGiroux@mosaikcu.ca).
4. Set access to **Viewer**, and click **Send**.

Figure 4: Securely granting Viewer access to Blake Giroux directly within Google Docs.

✓ Done! Blake instantly accesses the official letter and initiates remote DocuSign signing for team staff.

Option B: Download & Email as PDF (If Mosaik Requires an Attachment)

1. In the open Google Doc, click **File** → **Download** → **PDF Document (.pdf)**.
2. Attach the downloaded PDF to an email addressed to BGiroux@mosaikcu.ca.

Governance, Security & Executive Benefits

 **60-Second Processing:** Eliminates back-and-forth emails requesting missing cell phone numbers or signer roles.

 **Policy 2.7 Privacy Compliant:** All personal contact details and banking information remain strictly secured inside TAMHA's domain.

 **Mobile-Friendly for Joe:** Works entirely in Google Workspace from phone, tablet, or laptop while traveling between meetings.

 **Oct 30 Budget Bridge:** The same sheet tracks signing status and seamlessly bridges to upcoming October 30 preliminary budgets.
